REPRODUCIBLE DISCIPLE MAKING

Disciple Making is helping someone walk more closely with Jesus in a way that equips them to disciple someone else. It is gender based groups of 2-3 that generally flow out of Lifegroup relationships. We follow the example of Jesus by investing our lives into a few others to make disciple makers that make disciple makers.

When you meet:

Meeting times are usually 1.5 hours weekly and center around a flow of 4 points of blessing where the Holy Spirit loves to work. The first four letters describe what we do to leave footprints and the last two describe your role in the mission:

C – Celebrate

Get our focus on God by sharing where you see God at work this past week: IN you, AROUND you, THROUGH you.

A – Accountability

Share last week's promises, progress, and struggles.

L – Learn It

Utilize a Discovery Bible Study together, giving the Holy Spirit room to reveal His truth.

L – Live It

Be still. Listen and obey. Use your journal to write what you hear God say and how you will respond.

E – Equipper

Coaching and equipping the disciple, always pointing them to experience Jesus and the Word.

D – Discipler

Walking in close relationship with the disciple as they follow Jesus and become a Disciple Maker.

Outside of the meeting:

The meeting is a launchpad to propel the disciple into a lifestyle of loving God, loving others, and going and making disciples. It's all about relationship and personally experiencing God in three spheres of life through the week.

1) Experiencing Jesus in the Word

- Daily time with Jesus through the Word and Spirit
- Scripture memory and journaling

2) Experiencing Jesus in the Family

- Hearing God to build up others
- Utilizing spiritual gifts and teamwork in the Church

3) Experiencing God in the World

- Include Me prayer and Prayer/Care/Share
- Sharing Your Story/God's Story
