LEADING CHILDREN IN LIFEGROUP

Our aim is to bless, model, and disciple our kids so that they experience Jesus each time we gather. Children need to know that they are a valuable part of God's family, the Church. Lifegroup is for the whole family and this time centers the kids on Jesus and His word. Use this guide to engage the children in your group, and let's partner with God in raising up a generation of passionate Christ followers (Deut. 6:5-7, Acts 2:42-47).
