

LIFEGROUP

Lifegroup is a multi-generational, weekly gathering of the family of God to enjoy and follow Jesus together. Women, men, and children meet in homes in our community, where people can be truly known. When people are known, they can be discipled and encouraged to step into their God-given identity and his call on their lives. Lifegroup offers opportunities for everyone to participate and lead in a variety of ways using their gifts to glorify God and edify one another (Acts 2:42-47).

LIFEGROUP VALUES

WE ARE JESUS CENTERED:

So we enjoy and follow Jesus together as his sons and daughters.

WE HAVE A KINGDOM CALLING:

So we join Jesus in his work in the world in preparation for his return.

WE LEAVE FOOTPRINTS TO FOLLOW:

So we disciple in a reproducible way.

CORE

Discovery Bible Study (DBS)

In Lifegroup, we study the Bible with a simple method called Discovery Bible Study (DBS). We use questions to help people discover God's character and ways as the Holy Spirit reveals his truth in the Word and through one another. We ask:

1. What does the passage say about God?
2. What does it say about people?
3. What does it say to you?

Core Experiences

Each week, the Lifegroup consistently makes time for God's Word through the DBS, and rotates through one of the Core Experiences to engage God's Spirit together.

What makes a CrossBridge Lifegroup unique?

- It's not book or curriculum-based but always Bible-based. This makes Lifegroup accessible for new visitors to join at any time and be anchored in God's Word.
- It's not led by a teacher but instead we invite the Holy Spirit to teach everyone as we receive biblical insights together.
- It's not centered solely on Bible study but allows for shared discovery in the Word.
- It's not just a circle of close friends but people united around enjoying and following Jesus by living out his purposes in the world.
- It's not just a weekly meeting but authentic connections between people who are growing stronger in loving God, loving others, and making disciples of all nations.

Our Lifegroups are continually progressing towards multiplication, so we welcome more into God's family and join Jesus in our Kingdom calling.
