

CROSSBRIDGE
COMMUNITY CHURCH

Leading Worship

In Lifegroup worship, we want to exalt and adore God by singing songs, reading scripture, partaking in communion, and praying prayers, expressing praise, gratitude, and love for God.

Worshipping with Kids

When you include children in your Lifegroup worship time, model praising God with them as you all worship with singing and hand motions. Click here for engaging kids worship: ([CJ and Friends](#) and [Lifetree](#))

After the children are dismissed, worship with two to three more songs (15-20 minutes). Visit here for [CrossBridge Lifegroup worship sets](#).

Worshipping with Adults

Share a brief Scripture to start the worship time:

- Psalm 100:4-5
- Hebrews 13:15
- Psalm 96:1-4
- Psalm 9:7-11
- Hebrews 4:16
- Psalm 147:1

Pray a 15- to 30-second prayer inviting God's presence and acknowledging our need for him.

Invite the group to stand and sing along. Encourage the group to practice *Listening to the Lord for Loving Others* by praying and encouraging one another.

Play the songs you selected loudly so everyone feels comfortable singing along.

As the last song ends, pray, thank God for the time of worship, and ask him to continue speaking to the group as you move into the Core time.
