

# HEALTH POLICIES

## Drop-off

- All children and volunteers will use hand sanitizer prior to entering the room
- Health Screening Procedures *\*Are you experiencing any of the following symptoms?*
  - Fever or chills
  - Cough
  - Shortness of Breath
  - Fatigue
  - Muscle and body aches
  - Headache
  - New Loss of Taste or Smell
  - Congestion or Runny Nose
  - Nausea or Vomiting
  - Diarrhea

## Social Distancing

Maintain at least 6 feet of separation from other individuals, when feasible

## Signs of Sickness

The child will be removed from the room and the parents will be contacted

## Face Coverings

Required by volunteers and children 10 years and older

## Cleaning & Disinfecting

- Routinely clean, sanitize, and disinfect surfaces and objects that are frequently touched with a food-grade cleaner
- BabyZone workers and volunteers are required to wear gloves to change diapers and will clean off the surface area when finished
- If a child puts a toy in their mouth, the toy will be set aside until it is cleaned and disinfected thoroughly

If a volunteer or child has been in close contact with a person who is confirmed to have COVID-19, please do not return until the end of 14 days of self-quarantine. Please monitor your health for any symptoms.
