

CrossBridge Discipleship School

This year of intensive discipleship will lead you to a transformed life filled with significance, and life changing decisions about your calling and destiny. Unlike a school, class, program, or course, CDS focuses on experiential and impact orientated discipleship that will shape your heart, mind, and will for the things of Christ. It is rigorous. It involves Bible study, classic readings of some of the famous thinkers in Christendom, interactive lectures, group processing, personal spiritual mentoring and accountability. All learning is set in the environment of a small group of like-minded believers.

This journey is for everyone. Jesus called each of us to be His disciple. If you want to discover how to live as a fully committed Disciple-Making disciple of Jesus Christ and make an impact in your world for Him... then...

your journey starts this fall, 2016!

isn't the same one who finishes.*

HIS PURPOSE

- **Have you ever wondered if the life you are living is all the Christian life has to offer?**
- **Do you want to experience the power of transformation that you see on the pages of the New Testament?**
- **Do you long for a deeper relationship with Jesus that connects you to God and His purpose and destiny?**

The CrossBridge Discipleship School is a place where you will go deeper with Jesus and others and be more encouraged and challenged by God than you ever thought possible.

No matter where you find yourself in your spiritual journey, the CDS is for you. In the CDS you'll experience a context that provides intentional relationships, a transformational process, and time that adds up to the transformed life the Bible talks about. The goals and requirements of the CDS are challenging; however, they are designed to be achievable even for busy professionals with families. The CDS runs on the school year cycle, September through June, with summer readings before the kickoff retreat.

The journey focuses holistically on training your head, your heart and your hands by engaging the Word of God, the Spirit of God and other people. You'll dive into the nature of spiritual formation, go on outreaches, develop practical skills and map out your calling and destiny, all in the context of community. In each leg of the journey a new theme is examined and built upon through Bible study, lecture, small group discussion and readings from distinguished authors.

The themes of CDS include:

1. Experiencing the Father Heart of God
2. Prioritizing Your Life as God Intended
3. Pursuing Personal Wholeness
4. Handling the Word of God Accurately
5. Experiencing the Power of the Holy Spirit
6. Developing Christ-like Character
7. Finding My Place in Community
8. Receiving Freedom in Forgiveness
9. Seeing the World Through God's Eyes
10. Learning to Hear & Obey the Voice of God
11. Being Fearfully and Wonderfully Made
12. Walking Through God's Story (OT & NT)
13. Mapping Out Your Calling and Destiny
14. Abiding and Thriving for a Lifetime
